● **FORESTRY CONTRACTORS** ●

Let us help you
connect with Virginia landowners
looking for your services.

VDOF has a service providers directory on our new website.
You must sign up your business to appear in the directory
where landowners can find you.

Get a User Account and Submit Your Business Listing

1. Visit <https://dof.virginia.gov/register-my-business/>
2. View the New Users section, check the box "I have read the above...", complete the form, and click Submit. Note: You must create a strong password, be sure to keep your password.
3. Check your email (check SPAM/Junk) for a confirmation of submission email and a second email with a link when your account is approved.
4. Click the link in the email and log in to our website with the email and password you had created.
5. Enter your business listing information on the form provided and click Submit. Note: Have your logo file available to upload for your listing if you choose.
6. Once approved, you can view your business listing on our website <https://dof.virginia.gov/business-directory/>
